## FINANCIAL AID FORM

**Anticipated Sources of Funds:** Please use the following form to show all (including scholarships other than anticipated one from GCI), assistantships, educational insurance policies, etc. as well as all projected costs involved for attending college in the current school year. It is not required that projected resources and expenditures balance.

**Note:** If financial information is not available before the application deadline, information from the previous academic year may be used with the notation that it is an estimate based on the previous year.

This form must be completed and SIGNED by both the Financial Aid Officer and by the student making the application.

- **ALL** questions on the form must be answered since actual financial need is one of the determining factors in the awarding of scholarships.
- The student and Financial Aid Officer will determine how the money will be spent: tuition, food, housing, books, etc.
- The student must mail this form, along with other required application materials, to the GCI Scholarship Chairman. The address is on the application form.
