2026 Tri-Council Annual Meeting

"Reading Mother Nature's Clock"

Sponsored by Environmental Consultants Council
Tuesday, April 7, 2026

Ki's Steak and Seafood - 705 North Avenue, Glendale Heights, IL

Featuring Nanette Kalscheur   A retired specialist of the Illinois Department of Agriculture, Nanette conducted diagnostic inspections of commercially grown nursery & greenhouse stock, looking for infectious diseases and quarantinable insect pests. She continues to convey her knowledge of plants, horticultural pests and diseases as a lecturer and course instructor. Nanette holds a Master's Degree in Natural Resources and Environmental Science from the U of IL and a Bachelor's in

Nanette will discuss when native spring blooming plants appear and how they interact with pollinators. The early appear-ance of these plants are vital to the survival of emerging insects. She will also give ideas on how
